

# Munro Supply

## Assembled Hose Kits

Munro Supply's "grab it and go" pre-assembled discharge hose complements your sales to the contractor who demands long lasting quality, down to the cost-conscious homeowner. Munro Supply's "grab it and go" hose assemblies are coupled with industrial strength universal cam and groove fittings or internally expanded fire hose thread.

### Mill

hose is 100% polyester, rubber lined, twill jacketed high quality discharge hose designed for clean-up and wash-down in factories and yards. An ideal industrial discharge hose. Polyester reinforces an ozone-resistant extruded synthetic rubber tube.

PART NUMBER	DESCRIPTION	PSI	LIST PRICE
